OhMiBod[™]
powered by
KIIRO[®]

INTRIGUING. INTERACTIVE. INTENSELY INTIMATE.

Esca is a versatile wearable massager. Bluetooth[®]-enabled for app-controlled play, you can engage with your lover from across the room or across the world. Connect your Esca to a Kiir[®] product and let your partner drive pleasurable sensations for a truly interactive experience. The illuminating LED lights sync to the vibrations, providing visual feedback to your partner. Get ready to light up the night!
