Your strength is your foundation.

For women, strength isn't a choice. It's a way of life. Loveliflife krush Kegel exerciser helps strengthen the pelvic floor, which weakens over time due to childbirth and age. Equipped with built-in sensor technology, krush measures the pressure, control, endurance, and grip of your PC muscle.

Regular Kegel exercise over time can:

- strengthen and tone the PC muscle
- aid in preparation for childbirth and in recovery
- aid in improved bladder control
- improve the intensity of orgasms

Product features:

- ▼ built-in sensor measuring pelvic floor muscle strength
- 📶 vibration feedback
- 🛡️ body-safe silicone
- ☔ waterproof
- 🔌 USB rechargeable
- 🛡️ one-year warranty

Bluetooth[®]

App features

- 📖 **QUICK START GUIDE**
- 🔗 **PELVIC FLOOR TRAINING COURSES**
- 🔊 **VOICE-GUIDED TRAINING**
- ▶️ **REAL-TIME VISUAL FEEDBACK OF PC MUSCLE ACTIVITY**
