The Built in America collection features a variety of classic and top selling shapes and sizes, all Proudly Made in America, by Doc Johnson. The line is easily recognizable by its cohesive patriotic packaging, attractive price points, quality, body-safe materials, and crowd-pleasing designs.

FEATURED PRODUCTS:

Classic Butt Plug Smooth – Medium: Perfectly sized for intermediate to advanced anal players, this top selling plug is firm yet flexible, with a tapered tip for easy insertion, a smooth tear-drop shape that provides a satisfying ‘filling’ sensation, and a flared base for safe and comfortable wearability. Available in Black and White.

Thin Tool - 7.5 Inch: Great for intermediate to advanced anal players, the Thin Tool features an enlarged phallic head and straight body that tapers into a thin neck with a wide, flared base for safe and comfortable wearability. The veined texture offers stimulating bumps and ridges for added pleasure.

Classic Dong: With its textured veins, smooth bulbous head, and classic bestselling shape, this dong is handcrafted for pleasure, and versatile for all kinds of play. Firm yet flexible construction. Available in Black and White, in two sizes: 8 Inches and 10 Inches.

Cock Master - 10.5 Inch Penis Extension: The Cock Master is a realistic penis extension that gives users the added length and girth they’ve been craving. The hollow dong slips on an erect or semi-erect penis to create a vacuum effect that won’t slip off.

Jr. Veined Double Header: Perfect for use with a partner, or for solo double-penetration, this double dong features a smooth, phallic head on each end, and textured veins along the shaft for extra pleasurable stimulation. Available in Black and White.

Big Boy - 12 Inch: Perfect for size enthusiasts, the Big Boy features an enlarged, smooth head that tapers in before widening back out into a thick, intensely textured shaft. It is firm yet flexible, with a flat base. Available in Black and White. O-Ring harness compatible.

Dick Rambone Cock: Molded from iconic porn star Dick Rambone, featuring a bulbous head, textured veins along the shaft for extra pleasurable stimulation, and squeezable balls that offer a nice grip for easier control. Suction cup base can be mounted onto most flat surfaces. Available in Black and White. O-Ring harness compatible.

The Great American Challenge: One of Doc Johnson’s most beloved classics, The Great American Challenge is huge and thick all around, with an enlarged bulbous head, and a super smooth, thick shaft. The firm yet flexible construction allows for comfortable positioning, and the extra-large base offers suction that can be mounted onto most flat surfaces for hands-free play. O-Ring harness compatible.

CARE AND MAINTENANCE:

To clean, remove suction cup or vibrating base and spray with Doc Johnson Antibacterial Toy Cleaner, or wash with mild soap and warm water. Pat dry, then store separately from other toys in a cool, dry place.
