Featuring iVibe™ and iVibe™ Select, a selection of premium vibrators in both classic and modern styles. iVibe™ boasts some of the most popular pleasure products ever made—like The Original Pocket Rocket and The iVibe™ Rabbit— in their original conceptions, iVibe™ Select offers modern, upgraded versions of these crowd-pleasing shapes in health-grade silicone material.

FEATURED PRODUCTS:

iVibe™ Pocket Rocket®: This iconic vibe has been called the best mini massager in the world. Built for clitoral stimulation, the Pocket Rocket's™ compact, no-nonsense design delivers ultra-powerful, whisper quiet vibrations. Three pleasure nubs at the tip offer added stimulation, and the included removable cap offers an alternative texture. Twist control bottom. Available in Strawberry, Grape, and Blueberry.

iVibe™ Rabbit: This ultra-popular vibe delivers powerful internal and clitoral stimulation. It features a firm yet flexible shaft with internal swirling beads, and a perfectly angled clitoral stimulator with its own independently controlled bullet. Vibration speed and rotation are customizable via a push button pad at its base. Waterproof. Available in Strawberry, Grape, Blueberry, and Coconut.

iVibe™ Mini Rabbit: A smaller, lighter version of the famous iVibe™ Rabbit, the Mini Rabbit features a firm yet flexible shaft with internal swirling pearls, and a perfectly angled clitoral stimulator with its own independently controlled bullet. Vibration speed and rotation are customizable via a push button pad on one side of the base. Waterproof.

iVibe™ Select iRocket: A modern revamp of the classic Pocket Rocket. Made of hypoallergenic, nonporous silicone, the iRocket delivers 7 unique functions of powerful yet whisper-quiet vibrations. Silicone pleasure nubs at the tip offer extra stimulation, and the included removable cap offers an alternative texture. Push button control with easy one-touch on/off. Luxurious Velvet Touch finish. Waterproof. Includes magnetic storage box. Available in Pink, Black, and Purple.

iVibe™ Select iBullet: Perfect for all kinds of play, the iBullet is made of hypoallergenic, nonporous silicone, and delivers powerful yet whisper quiet multi-function vibrations. It lets users target precise pleasure, whether during internal or external stimulation. Push button control with easy one-touch on/off. Luxurious Velvet Touch finish. Waterproof. Includes magnetic storage box. Available in Pink, Black, and Purple.

iVibe™ Select iPlay: Made of hypoallergenic, nonporous silicone, with a luxurious Velvet Touch finish, this vibe is curved for intense G-spot or clitoral stimulation, and delivers 7 distinct functions of powerful yet whisper quiet vibrations. Push button control with easy one-touch on/off. Luxurious Velvet Touch finish. Waterproof. Includes magnetic storage box. Available in Pink, Black, and Purple.

iVibe™ Select iRabbit: This innovative vibe is made of hypoallergenic, nonporous silicone with a luxurious Velvet Touch finish. It features a plush, waved shaft that rotates independently of the clitoral stem, for customizable, multi-speed, dual-stimulation pleasure. The push button controls offer a handy one-touch on/off feature for easy operation. Waterproof. Includes magnetic storage box. Available in Pink, Black, and Purple.

iRide: A powerful hands-free vibe that lets users control rhythm, speed and sensations of pleasure with the motion of their body. The naturally curved design allows for sensual rhythmic movement, while the padded cushion makes for a soft, smooth ride. Two independently controlled vibration zones directly target the clitoris and G-spot.

CARE AND MAINTENANCE:

All items from the iVibe™ collection can be cleaned with Doc Johnson's Antibacterial Toy Cleaner (1399-02-BU) or with soap and warm water. Silicone items can be cleaned in the top rack of a dishwasher. When using silicone items, use water-based glides only. Store all pleasure products separately, in a cool, dry place.
