OptiMALE™ is the world's first comprehensive men's sexual health and wellness collection, and the perfect essential, 'go-to brand' for men of all shapes and sizes. The 'Optimizing' line incorporates a selection of OptiMALE™ personal care products, featuring specially formulated glides, creams, and sprays designed to enhance masculinity and attraction. All OptiMALE™ personal care products are PETA Certified, Cruelty-Free, and Proudly Made in America.

Featured Products:

OptiMALE™ Glides: Available in Water-Based, Silicone-Based, and Hybrid. Water-Based is compatible with every toy material and great for sensitive skin; Silicone-Based delivers velvety-smooth, long-lasting results, perfect for water-play; and Hybrid is a unique balance of water-based and-silicone, offering a long-lasting, lightweight effect. All three formulas are naturally derived and free of parabens.

OptiMALE™ So Hard Delay (Delay Cream and Spray): This fast-acting desensitizer works to delay orgasm and prevent premature ejaculation, with a non-sticky consistency that applies easily and begins working immediately. Alcohol-free formula available in a non-sticky cream and a lightweight spray.

OptiMALE™ So Dry (Anti-Chafing Lotion): Infused with Aloe and Vitamin E, this lotion-to-powder solution prevents sweating, sticking, chafing, and odor, leaving a fresh masculine fragrance with no powdery residue. Aluminum and Talc-Free.

OptiMALE™ So Big (Plumping Cream): This ultra-smooth cream enhances sexual performance and maximizes pleasure, helping men achieve thicker, fuller, and bigger erections.

OptiMALE™ So Fresh (Deodorant Spray): A safe and effective deodorant spray that does it all, this naturally-derived formula enhances the body's production of pheromones, while the soothing Tea Tree Oil keeps men smelling fresh and feeling clean.

OptiMALE™ So Smooth (Shaving Cream): Chamomile-infused, emollient rich, and naturally soothing, So Smooth soothes irritation and slows hair regrowth for a close, even shave every time.

OptiMALE™ Pher-Moan (Enhancement Gel): The secret weapon of attraction, this natural blend increases masculinity and attraction, intensifying the potencies of pheromones, while remaining discreet with no odor or taste. It wears perfectly alone or with any fragrance.

OptiMALE™ Fishbowl Display/Bulk Refill: This eye-catching display showcases an assortment of five top-selling OptiMALE™ personal care products: Water-Based Glide, So Hard Delay Cream, So Dry Anti-Chafing Lotion, So Big Plumping Cream, and So Smooth Shaving Cream. 120 pouches included with each fishbowl display or bulk refill. 25 oz. pouches.

Care and Maintenance:

Store upright, in a cool, dry place.
