

Created in collaboration with TitanMen, the world's premiere producer of gay content, Doc Johnson's TitanMen® collection of pleasure products includes a selection of anal tools, cock rings, cages, and more, designed especially for the needs of gay men. The line is recognized for its minimalist, masculine packaging, thoughtfully crafted designs, and high-quality, body-safe materials.

FEATURED PRODUCTS

TitanMen - Cock Ring: This stretch-to-fit cock ring enhances size and girth, prolongs ejaculation, and helps to maintain long-lasting erections. Ultra-comfortable and easy to use. Available in Black and Blue.

TitanMen - Cock Ring Set: Includes four cock ring sizes that stretch to fit with the aid of easy grip side tabs. The rings are easy to apply and remove, even with slippery hands, because each tab features a thick border, allowing the rings to be adjusted with ease. Available in Black, Blue, and Clear.

TitanMen - Cock Cage: Fulfilling the same basic function as a cock ring, while adding girth to the wearer's penis, the TitanMen® Cock Cage offers longer, harder erections, and features a ribbed texture for enhanced stimulation during partner play. Available in Black, Blue, and Clear.

TitanMen - Inflatable Wonder: This inflatable plug is made of latex, with no stitching to irritate the skin, and features a tapered tip for easy entry, and a flared base for safe and comfortable anal play. The squeeze bulb is easy to use, and the plug holds its shape with each pump, so users can experience a variety of sizes and girths. The quick-release valve at base allows for instant deflation.

TitanMen - Master Tool #4: This curvy plug features a graduated, triple-ripple design and a flared base for safe and comfortable wearability. It also boasts a dual-density construction, with a firm outer shell and a soft inner core. Proudly Made in America.

TitanMen - Anal Douche: An easy to use anal cleanser featuring a sturdy squeeze bottle and a flexible nozzle that lets users control the pressure. It is designed for ultra-comfortable use, with a durable construction that is built to last.

TitanMen - Ass Servant: Perfectly sized for advanced anal players, this plug is firm yet flexible, with a tapered tip for smooth insertion and a flared base for safe anal play. In addition, the Ass Servant boasts a dual-density construction, with a firm outer shell and a soft inner core. Proudly Made in America.

TitanMen - Intimidator (3.5"): Perfect for advanced players, this conical anal tool features a graduated design and a thick ribbed texture for intense anal stimulation. A flat, wide base offers added stability. Proudly Made in America.

CARE and MAINTENANCE

To clean, spray with Doc Johnson Antibacterial Toy Cleaner, or wash with mild soap and warm water. Pat dry, then store separately from other pleasure products in a cool, dry place.
