MAN SQUEEZE™

Doc Johnson expanded its line of hard-case strokers with **Man Squeeze**, which provides options for those who prefer products molded directly from men's bodies.

Founded with an original lineup of 3 popular anal styles – Stud, Twink, and Bear – this update to the Man Squeeze collection introduces Doc Johnson's partnership with top-ranking gay adult sites Men.com and SeanCody, with products molded directly from the bodies of their top performers.

Founded in 2011, **Men.com** quickly rose to prominence to become the number one brand in gay adult entertainment. With over 2,000 scenes, 9 sites and close to 800 porn stars on its network, Men.com is a leader in the industry recognized for its high-end parodies, international productions and the world's most popular gay porn stars.

Since its launch as an amateur site in 2001, **SeanCody** has risen to become one of the most recognizable brands in the gay porn industry. The site offers its members top quality, original bareback content, with the hottest exclusive amateur models online. New updates are added three times a week with full photo sets available for each scene!

signature cocks

As the first sex toy manufacturer to produce direct replicas of porn stars, Doc Johnson continues to perfect the proprietary molding process, capturing an ever-expanding cast of adult actors in incredible detail.

Products in the Signature Cocks collection are molded directly from each performer's body at Doc Johnson HQ and handcrafted for consumers in ULTRASKYN, a patented material that perfectly mimics the unique feel of real skin and warms to body temperature.
