

You said... dripstick?

Yup. Otherwise known as your post-sex BFF.

It goes like this: he Finished, and you...need to go to the bathroom and clean up. dripstick can help you with that. Say good-bye to your old towel, tshirt, and half a roll of toilet paper - forever.

dripstick is a super soft, medical grade sponge that quickly soaks up all the excess Fluids so you can move on with your day (or night)! Goodbye, drips!
