Safe, sane, and consensual (SSC) is one of the values surrounding ethically acceptable behavior in BDSM, kink, and alternative sexuality communities. Safe means that the risk of activities should be understood by all participants, taking all precautions to prevent accidents or injury. Sane is to undertake activities in a sensible and sane state of mind, understanding the difference between fantasy and reality. Consensual means that all parties have freely and fully consented to the activity and were in a sound state of mind.

KINK^{BY} DOC JOHNSON[®] PULSE ULTIMATE 4 MOTOR SILICONE VIBRATOR

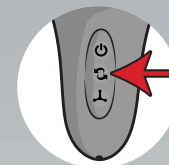

Instructions for Use

TO OPERATE PULSE:

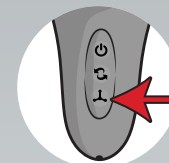

- To power on/off, press  button without holding. The default setting when powered on is an identical steady vibration in all motors.

- Press  button without holding to cycle through shaft and full-product vibration patterns.

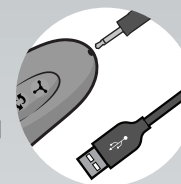

- Press  button without holding to cycle through the 3-way external stimulator's unique vibration patterns.

TO CHARGE PULSE:

- Plug wide USB end of charger into a USB power source, and insert charger into the small port on base. LED flashes while properly connected and charging, and displays a solid light when charging is complete.

TO CLEAN AND MAINTAIN PULSE:

- To clean, spray with Doc Johnson[®] Toy Cleaner or wash with a mild soap and warm water. Allow to dry completely before storing separately from other toys in a cool, dry place. Use with water-based lubricant/glide.
*Doc Johnson[®] Toy Cleaner sold separately.
