**Cleaning and Storage:** Spray your OptiMALE™ Vibrating Cock Cage with Doc Johnson® Toy Cleaner or wash with mild soap and warm water. Do not submerge. Allow to air-dry completely before storing separately from other toys in a cool, dry place. Use with water-based lubricant/glide. Doc Johnson® Toy Cleaner sold separately.

Do not attempt to warm this product in a microwave or conventional oven. **Caution:** Prolonged and frequent use of penis enhancing devices may cause ruptured blood vessels, hemorrhage and hematoma formation. These devices can also aggravate existing medical conditions such as Peyronie's disease, priapism and urethral stricture. Penis enhancing devices should always be used with discretion. **Warning for Vibrating Products:** To avoid injury or aggravation of pre-existing conditions, this product should not be used on swollen or inflamed areas or skin lacerations. No medical claims are warranted or implied by the use of this product.
