As the first sex toy manufacturer to produce direct replicas of porn stars, Doc Johnson® continues to perfect the proprietary molding process, capturing an ever-expanding cast of adult actors in incredible detail.

Products in the Signature Cocks collection are molded directly from each performer's body at Doc Johnson® HQ and handcrafted for consumers in ULTRASKYN™, a patented material that perfectly mimics the unique feel of real skin and warms to body temperature.

ULTRASKYN™ Signature Cocks are also created with Doc Johnson's® dual density design, featuring a soft, pliable exterior around a firm core for the most lifelike experience possible.
