

Shirley Lowy

ACCOUNT EXECUTIVE

DOCJOHNSON®

Shirley Lowy has been with Doc Johnson since its inception in 1976 and has become a valuable fixture. In addition to handling several accounts and building strong, long term relationships with customers, Shirley has considerable knowledge of our company's culture and its products and services.

She has experienced many changes within our workplace, and consequently understands what works and what doesn't. In performing her numerous job duties day after day, Shirley has developed a strong knowledge base, which results in higher productivity because fewer mistakes are made. She also has a keen understanding of production procedures and manufacturing techniques, which ultimately leads to higher sales.

Shirley is an important asset to our stellar sales team.
