

Infuse Anything, Anywhere

BÔOST LIQUID THC CONCENTRATE

Think instant onset, plus the most discrete consumption you've ever experienced. Micro or macro-dose...the choice is yours.

Bôost is a revolutionary water-compatible concentrate, giving you the power to infuse anything to elevate your body and mind to new levels. Our in-house patent-pending Amplifi Nanotechnology allows a nearly instant onset of effects. The future is now.

AVAILABLE IN 1fl oz | 675mg THC

"Literally the best...

I hate getting cough attacks from smoking so this prevents that and still gets me the same high. This also makes things so discrete."
