These additions to the Man Squeeze line of male-themed hard-case ULTRASKYN strokers introduces Doc Johnson's partnership with top-ranking gay adult sites Men.com and SeanCody. Men.com, the #1 brand in gay adult entertainment, is an industry leader recognized for high-end parodies, international productions and the world's most popular gay porn stars. SeanCody, which launched as an amateur site in 2001, now ranks among the most recognizable brands in the gay porn industry, offering exclusive original bareback content featuring the hottest amateur talent.

Doc Johnson has molded this new collection directly from the bodies of Men.com and SeanCody's top performers. Man Squeeze features a built-in squeeze plate designed to vary the tightness of each stroke, unique internal textures in lifelike ULTRASKYN, and a suction-adjusting end cap that twists to different levels of intensity.

Care and Maintenance

Gently pull from the top to remove the ULTRASKYN insert from inside the case. Remove squeeze plate section from magnetic dock (or from inside the case if it falls in during disassembly.) Clean each section with Main Squeeze Toy Cleaner or mild soap and warm water. Allow all parts to air dry completely and dust the ULTRASKYN tunnel with Main Squeeze Refresh Powder.
