ENHANCE pleasure 1313-90

This fishbowl includes 4 options for penis play. Plump is an enhancing gel that helps increase blood flow to the penis, which makes for a thicker, larger look and feel. Sta-Erect is a delay cream formulated with pheromone to boost sexual desire. Power+ delay cream is formulated with yohimbe, which provides increased circulation and blood flow. The Prolonging delay cream includes ginseng, a traditional aphrodisiac. All three delay creams will decrease penis sensitivity for extended play. 25 packets of each per fishbowl.

travel-size (0.35 oz) tubes

includes plump enhancing cream,
sta-erect with pheromone delay cream,
power+ with yohimbe delay cream, and
prolonging with ginseng delay cream

delay creams delay the onset of orgasm
plump enhances penis size and thickness
odorless, non-sticky formulas
no glycerin or sugar

INTENSIFY pleasure 1313-95

Experience new and intense sensations with this pack of gels designed to up your pleasure. Reverse is a tingly, stimulating gel that works to tone and temporarily tighten vaginal tissue; Spot On has a silky formula that intensifies sensation in and around the nerve endings on the top wall of the vagina. Excite provides gentle tingles fluttering across your erogenous zones, and Numb is perfect for backdoor players. 25 packets of each per fishbowl.

travel-size (0.35 oz) tubes
