

ROCK SOLID™

SILICONE DOUBLE STAMINA RING with Metal Beads
3701-37-CD Black

SILICONE TRIPLE STAMINA RING with Metal Beads
3701-38-CD Black

THE COCK CAGE
3701-51-CD Clear
The Rock Solid Cock Cage is your key to edging. Its tight interior stretches to fit most penises, and its Dura-Tech Technology is completely hypoallergenic, phthalate-free, and body-safe.

DOUBLE PACK COCK RINGS
3701-52-CD Blue
Sometimes one just isn't enough! Get two soft, stretchable Rock Solid cock rings in this Double Pack. Rock Solid cock rings enhance size and thickness for longer, harder erections, and are completely body-safe.

Enhance your pleasure with this dual-ring or triple-ring design featuring soft silicone and internal metal beads. Each ring is sized differently for a customized fit and comfortably stretches around the base of the penis and testicles. Engineered for maximum stimulation, it supports longer-lasting, firmer erections and heightened sensitivity. Rock Solid cock rings help boost size, thickness, and endurance—all with body-safe materials you can trust
